www.pituitary.org

Pituitary experts at Saint John's Medical Center in Santa Monica, CA and the Pituitary Network Association are organizing two concurrent pituitary conferences on October 2, 2010. The 5th CA Pituitary Conference will host 80 physicians. The 1st CA Hormonal/Pituitary Symposium will accommodate 80 patients.

There will be two separate sessions for the conferees. The Pituitary Network Association conference costs for patients- TBD. The patient venue will include seminars on basic pituitary anatomy, surgery, endocrine care, insurance issues, rest-of-life care and more.

Conference Cost Includes: Conference 8am-5pm, Lunch with Keynote Speaker, Dr. Ed Laws, "Pituitary Tumors-How common & how many are we missing?" Cocktails & Dinner 6-9pm will not be included in the cost of the conference. TBD

This is a great time to bring the family to sunny California. Come spend time with other patients & pituitary experts, while spending time at the Ocean, Disneyland, Knotts Berry Farm, Universal Studios and more-It will be a lot of fun!
